²Within minor, one must be a using information technology intensive course.

Transfer students with 60 or more transferable hours are required to take half the intensives requirements of native students (two writing, one oral, and one using information technology). You must take these courses at ETSU; transfer credit does not satisfy the intensive requirements. In this articulation agreement, these courses fulfill ETSU's intensive courses in writing (W), oral (O), and using information technology (T). NOTE: Intensive courses are built into ETSU program requirements. They are not additional hours.
